

SPANISH-PORTUGUESE ASSOCIATION OF NATURAL AND
ENVIRONMENTAL RESOURCE ECONOMICS (AERNA)

SECOND CALL FOR PAPERS

**THIRD AERNA WORKSHOP ON
GAME THEORY AND THE ENVIRONMENT**

Valencia, 2-3 September, 2019

The Workshop will bring together researches affiliated to the AERNA Working Group on Game Theory and the Environment, and invites submissions of papers that deal with environmental and resource economics problems using any of the branches of Game Theory. Theoretical and empirical contributions are welcome, including, but not limited to, coalition formation, strategic environmental policy, dynamic games, bargaining, behavioral economics, experimental economics and network economics.

This Third Workshop accounts with the support of the University of Valencia **Transportation Economics Group** and for this reason the call is open to papers in this field but with a focus on *Energy and Environmental Issues in Transport*.

Keynote speaker: Bard Harstad (University of Oslo)

There is no registration fee. Lunch, soft drinks and coffee will be served during the workshop free of charge.

Submission of papers: Please send your papers in PDF or Word format to Santiago Rubio (santiago.rubio@uv.es)
