

# Marie Skłodowska-Curie Individual Fellowships at Fondazione Eni Enrico Mattei

Internal deadline: June 2<sup>nd</sup>, 2019

Following its long time tradition of successful international post-graduate and doctoral training, FEEM supports Marie Skłodowska-Curie Individual Fellowship applications.

For the current MSCA European Fellowships call, FEEM is interested in receiving proposals in the area of:

1. **Spatial transformation of cities, their socio-economic determinants and the consequences for the environment and the quality of life of urban citizens**
2. **Pathways towards an EU carbon-neutral economy by 2050**
3. **Digitalization for a Sustainable Energy Transition**
4. **Integrated energy and macroeconomic models for sustainable development of African countries**
5. **Water management in the presence of uncertainty related to technological innovations and climate change. Investment models in developing countries**
6. **Macroeconomic (and micro) models for assessing the impact of water management investment in developing countries**
7. **Computational General Equilibrium Model for water management in developing countries**
8. **Water and Energy (and Food) nexus: carbon footprint, water footprint and efficiency. Which is the optimal mix?**
9. **Definition, assessment and quantification of risks for investments and development in developing countries**
10. **Decarbonization, renewable resources: microeconomic models for evaluating investments in condition of uncertainty**

FEEM, as Italian host institution, provides support to individual experienced researchers who meet the requirements of the H2020 Programme. Research proposals entail a period of 12-24 months at FEEM, with reference to the [Call Marie Skłodowska-Curie Individual Fellowships \(IF\) - European Fellowships](#).

FEEM offers a truly international and multi-disciplinary workplace. Thanks to a world-wide research network you will be involved in a continuous fruitful exchange of experiences.

## Eligibility criteria

1. Candidates must be in possession of a doctoral degree or have at least four years of full-time equivalent research experience at the deadline for the submission of proposals to the European Commission (11/09/2019)
2. Eligible researchers can be of any nationality and must not have resided or carried out their main activity (work, studies, etc.) in Italy for more than 12 months in the 3 years immediately before the call deadline.

## Application

If you meet the eligibility criteria and are interested in exploring the opportunities offered by the Marie Skłodowska-Curie Actions to work at FEEM, please submit your application on-line through the [FEEM web platform](#) any time before **June 2<sup>nd</sup>, 2019** (internal deadline), sending:

1. a detailed curriculum vitae, including the list of publications;
